Asking Questions

Directions: Choose a passage from a text you are reading on your own. Come up with one text-explicit question and one text-implicit question and write them below.

1. Write a text-explicit question that you have about the text you read..

2. Write the answer to your text-explicit question.

3. Write a text-implicit question that you have about the text you read.

4. What clues did you use from the text to help you figure out the answer to your text-implicit question?

5. What clues did you use from your own experience and prior knowledge?

6. Write the answer to your text-implicit question.
